American Samoa	X		
Arizona			

State	Meets educational requirements	Does not meet educational requirements	Comments
Nebraska	X		
Nevada	X		Medical laboratory staff are required to be licensed. Individuals must pass a national certification exam, such as the ASCP BOP Exam. SCC graduates are eligible to sit for this exam from the date their degree is conferred.
New Hampshire	X		

NOTE: The following states have no state-level requirements to work in a medical laboratory. Nationally, you may legally work without passing the American Society for clinical Pathology (ASCP) Board of Certification (BOC) Medical Laboratory Technical Exam; however, there may be employer-level requirements that require it:

- Alabama, Alaska, American Samoa, Arizona, Arkansas, Colorado, Connecticut, Delaware, Georgia, Guam, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Maryland,
